- at least one member is born 1994 or later, and the other members born 1992 or later;
- at least one of the members is a girl.
- Each team can have two substitute members.

Mini-Ilves

Competition for the children up to 10 years on marked distance on the second competition day (registration at the time of Ilvesteade).

Opened Course

Possibility to run in the individual open Course. Registration on site. Entry fee 4 Euros.

Information about event

Maps

Map scale 1:10000, contour interval 5 m. Mappers: Madis Oras, Avo Veermäe (2003-2005).
Previous maps: No.2004048 (Tammeveski-Kapera), 9232 (Lindora), 2004033 (Tabina). Database of Estonian o-maps: www.orienteerumine.ee.

Landscape

Primeval valley of river Piusa and its small tributary, and Tabina pine forests with variable landforms. Typical spur-gully landforms formed by erosion. A part of the terrain is a flat plateau on top of the valley banks. Almost no marshes. Runnability from good to very good. 90% forested, dense network of tracks and paths. Height differences up to 60 m.

Driving directions

Starts

The SPORTIDENT electronic punching system will be used. Each team must have at least two SI-cards. The same card may be used by the 1. and 3. leg. The order of SI-card using has to be same every day. Rent of SI-card: 4 EUR/ 3 day. SI is used also in Mini-Ilves ja open Courses. In case of losing rented SI-card participant must compensate its cost 30 EUR (55 EUR in case of 6th generation SI-card).

START

The start area will be opened for the competitors of the 1. leg for 15 minutes before the start. The competitors have to clear and check the SI-card in the start area. Both actions are correct when a visible / or audible signal will be given. In emergency the new SI-card will be given by the officials. Rent of the SI-card is 20 EEK per day. The competitors of the 1.leg must be in the start area at least 5 minutes before the start, the competitors of the 2. and 3. leg could enter start area with time enough to clear and check SI-card. The competitors begin their Course via the K-control after the start signal. It is the competitor's responsibility to be in the start at the right time, with the correct number bib and SI-card. It is the competitor's responsibility to clear the SI-card, and to take the correct map. Starting with the wrong SI-card will result in disqualification.

PUNCHING AT THE CONTROLS

When punching at the controls, by placing the SI-card in the hole on top of the control unit, the competitor will know that it has been registered with a visible and/or audible signal from the electronic control unit. The competitor can punch repeated times at a control, but only the first one will register in the SI-card. The competitor is responsible for punching at the correct control and getting confirmation that the punch has registered. If the punch did not register the competitor has to use the manual punch in the reserve boxes on the map, R1, R2, R3 or into edge of the map on lack of the reserve boxes. A lost SI-card counts as a lost control card and will result in disqualification.

FINISH

The leg finish-punching will be done at finish line. After the finish punch the information from the SI-card will be read out. Those competitors who have used a manual punch have to inform the finish officials. The hired SI-cards have to be returned to a finish official as soon as they have been emptied on the last competition day. Each competitor can take the result list with the finish and split times leaving finish area. Competitors are responsible for checking that the SI-card is correctly emptied at the appropriate unit. A competitor who retires shall announce this at the finish immediately.

Control time

The team gets a result if all members of the team finish before the closing of the finish. The results of the competitors of the 2. and 3. legs started from the group start will be added up to the result of the team.

Results

Each competitor can take a result list with the finish and split times, leaving finish area. Provisional results will be displayed in the event centre during the competition. The official results will be displayed on the result board in the event centre at the next day, the official results of 3rd day will be displayed at the end of the competition. The official results will be published in the journal "Orienteeruja" and in the OC Ilves home page <http://www.okilves.ee/ilvesteade>.

Numbers

All competitors have to wear official numbers in the start. Numbers will be available at the event centre. Competitors who have lost their number can buy a new one at the competition office (10 EEK).

Team members

Some regulations about teams:

- If there in any team run more than 4 members during Ilvesteade (or more than 5 runners in Youth and Senior Ilves) then the team will be disqualified.
- A competitor can run in several teams (in the basis of substitute member).
- The competitors who have participated in several rewarded teams will be awarded a prize only by the best result.
- A competitor cannot run more than one leg per day.

Accommodation

Camping in own tents is possible in Jõeveere Tourist-farm in the event centre, fee for a tent is 50 EEK per night.
