Maps and terrain

Mapped in spring 2006. Mappers: Madis Oras, Avo Veermäe, Arvo Kivikas, Kalle Kalm. Previous map [2002032](#).

The scales are on 1st day for all groups 1:10 000; on 2nd and 3rd day for the groups from Start 1 - 1:15 000; from Start 2 and Start 3 -1:10 00; vertical contour intervals of the maps are 2,5 m.

The forest is characterised by a rather dense network of forest tracks. Runnability varies from bad to very good. Lots of different aged coppice and thickets; marshes. The terrain is moderately hilly with height differences in the range of 40metres.

RULES FOR THE COMPETITION

The SPORTident electronic punching system will be used.

Start

Pre-start time is 2 minutes on each day. Runners will start from next to map.

Control are printed to the front side of the maps. Additional control descriptions are available only for groups MN21E (Runners had to have own fixing materials).

Start interval is 2 minutes, excluding NM21E on 2nd day is 3 minutes. At the start signal the competitors may cross the start line, take the map and begin their course via the start control.

Late start. Competitors who arrive late to the start have to ask help from the start official. Starting later is possible until the last competitor will start.

Control time: 1st day – 1 hour and 40 minutes, 2nd day – for M21E 3 hours and for other groups 2 hours and 30 minutes; 3rd day – 2 hours.

Punching at the controls

Punching at the controls, by placing the SI-card into the hole on top of the control unit, the competitor will get a confirming visible and/or audible signal from the electronic control unit confirming the registration. The competitor is responsible for punching at the correct control. If the punch did not register the competitor must use the manual punch in the R-boxes on the map, R1, R2, R3 or into the edge of the map on lack of the reserve boxes. A lost SI-card will result in disqualification.

Finish

The finish time will be taken through a punch at the finish line. After the finish punch the competitor continues through the finish chute to another punch unit, where the information from the SI-card will be read out. Competitors, who have used manual punching, must inform the finish officials after emptying their SI-card. The hired SI-cards must be returned to a finish official as soon as they have been emptied on the last competition day. Result list with split-times will be given to competitors in finish area.

When a hired SI-card will lose, it costs 425 EEK.
