## Competition rules

Competitions will be held according to Estonian Orienteering Federation's competition [rules](#).

NB! IOF World Ranking Event for classes ME and WE (Euromeeting) will be held according to the competition rules of the International Orienteering Federation: (<http://orienteering.org/wp-content/uploads/2010/12/Competition-Rules-for-IOF-Foot-Orienteering-Events-May-2015.pdf>).

## Terrain and map

The competition takes place in the Otepää Uplands near the Elva river headwaters. Height difference on the terrain is 45 meters. The terrain is rather varied. The kame field consists of depressions, hills and small swamps in between them next to a swampy terrain with dry-land protrusions. There is a dense network of roads and narrow rides although nature is starting to reclaim the smaller tracks. Runnability in the forest varies from very good to medium.
